Noteworthy:

Through our **network of MOU’s with similar organisations in Canada** (*Belgian Canadian Business Chamber in Toronto, EU Chamber in Canada West, Surrey Board of Trade, Chambre de Commerce du Québec, Cercle d’Affaires Belgique Québec*), we can offer a **more comprehensive range of services** to companies looking for new business opportunities in Canada.

These MOU’s also allow our mutual members to enjoy the same benefits when visiting the other country.

CanCham BeLux can organise **tailor made events** for members (and their partners) upon request.

** The annual brochure is distributed at all events and to our members, to the official representatives of Belgium and Luxembourg in Canada (Embassy, trade commissioners, honorary consuls) and other partners.*
