Noteworthy:

Through our **network of MOU’s with similar organisations in Canada** (see our partners on <http://www.canchambelux.org/about-us/>), we can offer a **more comprehensive range of services** to companies looking for new business opportunities in Canada.

These MOU’s also allow our mutual members to enjoy the same benefits when visiting the other country.

CanCham BeLux can organise **tailor made events** for members (and their partners) upon request.

*\* The annual brochure is distributed at all events and to our members, to the official representatives of Belgium and Luxembourg in Canada (Embassy, trade commissioners, honorary consuls) and other partners.*
